

Corporate Transactions

Niles Barton has been representing business clients since its inception in 1838, so we understand the intricacies of today's business. From start-ups to public companies, there are many challenges in starting, buying, selling and managing businesses from negotiating and drafting contracts, managing employees, understanding and complying with government rules and regulations, to resolving conflicts between owners. Our corporate attorneys understand these challenges, so we help clients deal with legal issues and problems that impact their business. Our business lawyers provide solutions from cost-effective company formation to strategic legal and business advice throughout the company growth stages.

We counsel clients in a broad range of industries and have specific industry expertise in the areas of banking and finance, construction, healthcare, insurance, real estate and development, information technology, small business and nonprofits. Our corporate attorneys work closely with individual business owners, partners, managers, and in-house counsel to support their legal needs in the Mid-Atlantic Region.

Niles Barton's Corporate Transaction Services include services for starting a business, such as Company Formation, Commercial Lending, Contract Administration and Negotiation. We assist new and established businesses with Software and Technology, Data Security, Intellectual Property Protection, Creditor's Rights and Bankruptcy. Additional services include Business Succession Planning, Business Transactions, Commercial and Business Tort Litigation, Corporate and Partnership Matters, and

Franchising. We can also offer expertise in Financial Services, Securities, and Cannabis Law.
