

Insurer Bad Faith

For half of a century, Niles Barton has provided advice and legal representation to insurance companies facing allegations of bad faith, and counsel to insurers during the adjustment stage of a claim to avoid future allegations of wrongdoing. Our insurance attorneys' professional reach spans across the Mid-Atlantic region of the United States on both the state and federal level, and our litigators have substantial multi-jurisdictional experience defending allegations of bad faith. Using their knowledge and experience, our insurance litigators may be able to help their clients avoid bad faith allegations resulting in unnecessary litigation.
